Sub: Filling up of Executive Director (Aviation Safety) as ex-cadre post

Sir,

Your kind attention is drawn to the letter No. A. 22012/05/2020-EH/, dated 12.05.2021 wherein appointment/transfer & posting to the grade of Executive Director/APD Grade-I & other Executive Director Level position on Ex-cadre basis have been made. The post of ED (Aviation safety) has been filled up treating this as an ex-cadre post.

In this regard it is brought to your kind notice that in order to rationalize the posts of Executive Directors (cadre and Ex-cadre), the Competent Authority had clarified comprehensively vide letter No. A. 60011/41/2020-HR, dated 28th January 2021 how the posts of 35 ED posts will be operated. It is evident that Executive Director (Aviation Safety) is a cadre post for ATM discipline. This was arrived at after series of discussions and after surrendering the claim for General Manager-ATM (Aviation Safety). It is also on record that due to the nature of job, always an officer from the ATM Discipline headed aviation safety directorate.

There is severe stagnation in ATM cadre. At this juncture diversion of one ED posts has created resentment amongst ATCOs.

You are requested to look into this issue and post one officer from ATM Discipline as ED (Aviation Safety) in accordance with the above cited order.

Assuring you of our co-operation at all times,

Best regards,

(Alok Yadav)
General Secretary
